High dexterity

2091 Thin Lizzie™ Thermal

PROTECTION ZONES:

FEATURES:

The Rig Lizard® Series is purpose-built to provide maximum grip in tough situations – with over five grip options for water, oils, muds, and lubricants. Each glove is also equipped with our highly flexible IR-X® Impact Exoskeleton™, keeping hands protected from smash and pinch injuries. This combination of multiple technologies and features makes the Rig Lizard® the ideal solution for common oil, gas, and mining hazards. With options for cold weather protection, your hands can stay safe and comfortable in any environment.
